

WLGA COUNCIL MEMBERSHIP AND POLITICAL BALANCE 2020 - 2021**Purpose**

1. This report sets out the membership and political balance of the Association's Council for the 2020-2021 Council year based on the nominations received from the local authorities in full membership of the WLGA.

Background

2. Whilst the WLGA is not a statutory body, the Association is nevertheless guided by the relevant legislation deriving from Section 15 of the Local Government and Housing Act 1989 and the Local Government (Committees and Political Groups) Regulations 1990.
3. The procedure for determination of the political management of the Association follows from the formation of the Council and derives from the Constitution of the WLGA. The key provisions are that a local authority in full membership is entitled to appoint one member of the Council for each 50,000 population (or part thereof).
4. The period of office for members shall commence with effect from the Annual General Meeting and shall end immediately before the next Annual Meeting subject to the provision that those individuals shall cease to be eligible for membership of the Council if they cease to hold office as a member of the local authority which nominated them, the nominating authority ceases to be in membership of the Association, or their nomination to serve on the Council has been withdrawn in writing by their authority.

Membership

5. From the information provided to date by the local authorities in membership of the WLGA, the political balance of the WLGA Council is as set out below:

Breakdown of Political Balance of WLGA Council as at October 2020:

	Number of seats	Percentage (%)
Conservative	5	7.04
Independent	18	25.35
Labour	40	56.34
Plaid Cymru	8	11.27
Total	71	100

6. The Membership of Council, which has a total of 71 Members (subject to all nominations being received in line with paragraph 3 above) is set out in **Appendix 1** to this report and the Annexes thereto.

Voting at Council

7. Each member of the Council appointed by a local authority in full membership shall be entitled to one vote to be cast at the Council of the Welsh Local Government Association.
8. A local authority shall have the facility to vest all the votes of its appointed members of the Council with one of its appointed members (*en bloc*), or these can be exercised individually.
9. A member of the Council may nominate another councillor to attend on his or her behalf and exercise his or her vote(s), provided written notice is given to the Chief Executive by the constituent authority.
10. This substitute must be another elected member of the same authority, and a member of the same political group as the member being substituted for.
11. The local authorities in full membership have indicated that their representatives will express their votes as set out in **Appendix 2**.

Recommendations

12. Members are asked:

- 12.1 To note the political balance of the WLGA Council;**
- 12.2 To note the membership of the WLGA Council;**
- 12.3 To note the manner in which local authorities in full membership will express their votes through their nominated representatives;**
- 12.4 To have regard to the information provided in this report and annexes there to in setting out the broad framework for the allocation of places to committees, working groups and outside bodies.**
